Morning Drop Off (Russell Street) **SAFETY ISSUE!**

1. NEVER pass the car in front of you. Be patient and wait for the car to leave.
2. Do NOT drop off your children at a snow bank...(Dangerous incidents almost happened as children went into the street to go around cars.)
3. When dropping off in the morning, please advance to the school sign on Russell St.
4. Children must NEVER exit the vehicle from the street side.
5. I will continue to guide the morning process for a few more days.

PLEASE think... if it were my child...

National **School Choice Week** was founded in 2011 to promote the concept of all forms of **school choice**: district **schools**; district magnet **schools**; charter **schools**; private **schools**; and home schooling . The **week** of events is scheduled the last **week** of January each year.

From small gatherings to large rallies, celebrating excellent choices in education during National School Choice Week is all about celebrating what makes our school awesome. Saint Catherine of Siena School will celebrate by wearing School Choice scarves and displaying posters like “Parents Know Best!”

Again, it is NOT an issue of separation of Church and State, but rather a right for parents, as the first educators of their children, to choose the school that best meets the child’s needs.

On January 23rd from 4-7pm, Kate Baker, of the Children’s Scholarship Fund New Hampshire, is hosting an event at the Radisson Manchester. She promises that the event is going to be amazing. She would like to get as many people there as possible so I am sharing the RSVP with our families so that many may attend this lively student focused event.

The hours are perfect for families... go for a ½ hour or for the full event! Celebrate YOUR Choice!
