

Dear Lord,

It's such a hectic day with little time to stop and pray. For life, has been anything but calm since You called me to be a mom. Running errands, matching socks, building dreams with building blocks, cooking, cleaning and finding shoes, and other stuff that children lose. Fitting lids on bottled bugs, wiping tears and giving hugs, a stack of last week's mail to read! So where's the quiet time I need? Yet when I steal a minute, Lord just at the sink or ironing board to ask the blessings of Your grace, I see then, in my small one's face that You have blessed me. All the while and I stop to kiss that precious smile. Unknown.

WITH THE BUSY MOM IN
